

Dear Grade 7 Families,

Niagara Region Public Health is coming to our school April 22nd to complete vaccinations for the following publicly funded [routine school vaccinations](#) (**not** including COVID-19 vaccine):

- *Meningococcal*
 - *Single dose*
 - [Required for school attendance](#) under the Immunization of School Pupils Act
- *Hepatitis B*
 - *2 or 3 dose series (depending on age and health history)*
- *Human Papillomavirus*
 - *2 or 3 dose series (depending on age and health history)*

Only students that returned a consent form will be vaccinated.

On clinic day, students should:

- *Eat breakfast or a snack*
- *Wear a loose-fitting shirt*
- *Optional: Bring a distraction (music, phone, book) as a comfort measure*

If your child feels nervous and anxious about vaccination, visit [preparing your child for Grade 7 vaccinations](#) for helpful tips.
